**HON. DAVID YOUNG**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 25, 2015*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Tressa Myrtle Epps on the up-coming celebration of her 110th birthday on March 30th, 2015.

Our world has changed a great deal during the course of Tressa's life. Since her birth, we have revolutionized air travel and walked on the moon. We have invented the television, cellular phones and the internet. We have fought in wars overseas, seen the rise and fall of Soviet communism and witnessed the birth of new democracies. Tressa has lived through eighteen United States Presidents and twenty-four Governors of Iowa. In her lifetime, the population of the United States has more than tripled.

Mr. Speaker, it is an honor to represent Tressa in the United States Congress and it is my pleasure to wish her a very happy 110th birthday. I invite my colleagues in the House to join me in congratulating Ms. Epps on reaching this incredible milestone, and wishing her continued health and happiness in the years to come.

CONGRATULATING THE CARMEL  
HIGH SCHOOL GIRLS SWIM TEAM  
ON THEIR HISTORIC STATE  
CHAMPIONSHIP WIN

**HON. SUSAN W. BROOKS**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 25, 2015*

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to congratulate the Carmel High School Girls Swim team for winning the 2014–2015 Girls Swimming State Championship title. This state title is a momentous win for the Lady Greyhounds, as it marks their 29th consecutive state championship title, which ties the national record for the most consecutive state championship wins in any sport.

While their 29th consecutive state title is momentous on its own, what the Lady Greyhound swim team accomplished during the state championship was even more extraordinary than that. The Lady Greyhounds broke thirteen state records at the state championship meet, four of which also broke national records.

To recap their record breaking state title, six individual records were broken, four records were broken by relay teams—all four of which also broke national records—and the team as a whole broke 3 records. The team won 9 out of 11 events, breaking the state record for most first place event wins. They also broke records for most points scored, scoring 445 out of 544 points possible, and widest margin of victory, beating the second place team by 266 points. These extraordinary achievements at the state championship speak for themselves, and have led many to refer to this

team as the best team ever in high school girls swimming.

The Lady Greyhounds, under the leadership of Coach Chris Plumb, have put forth an incredible amount of hard work and dedication. The team trains year-round, puts in countless hours in the pool and weight room, and have supportive parents who are just as dedicated to helping achieve great success.

Coach Plumb has been head coach of the Lady Greyhounds since 2006, leading them to 9 of their last 29 consecutive titles. Coach Plumb leads by example and inspires his swimmers with his coaching and character. He works tirelessly to motivate, train, and push his swimmers to dream big and reach their goals. High school sports are a special experience. They teach discipline, build character, and allow young men and women to have an experience they will remember for a lifetime. This team exemplifies the wonderful attributes that high school sports teach, and I am proud to represent such a hardworking and highly regarded group of young women and coaches.

Once again, congratulations to the Carmel High School Girls Swim team. I look forward to cheering the team on through another great season next year and send my best wishes as the Lady Greyhounds work toward breaking the national record for most consecutive wins. Go Greyhounds!

TRIBUTE TO KATHRYN CARRABINE

**HON. PETE OLSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 25, 2015*

Mr. OLSON. Mr. Speaker, I am privileged to interact with some of the brightest students in the 22nd Congressional District who serve on my Congressional Youth Advisory Council. I have gained much by listening to the high school students who are the future of this great nation. They provide important insight into the concerns of our younger constituents and hopefully get a better sense of the importance of being an active participant in the political process. Many of the students have written short essays on a variety of topics and I am pleased to share them with my House colleagues.

Kathryn Carrabine attends Dulles High School in Sugar Land, Texas. The essay topic is: select an important event that has occurred in the past 15 years and explain how that event has changed our country.

Changes occur in our country for many reasons and sometimes the impact is detrimental. In particular, the Obamacare abortion pill mandate that requires all employers to offer insurance and must include preventive care; which includes numerous birth controls and at least four of which cause abortions. Some companies are morally opposed to this; however, if they choose to not include this provision, they would have to pay \$100 per employee every day. With this act a company is forced to follow this federal law or go bankrupt. As few companies try to go against a federal law, this one stands out to companies owned by devout Christians. As abortion is against what many Christians, as well as other religions, believe, why is this mandate included in a federal law?

One case receiving notable attention, Hobby Lobby vs. Burwell, the Supreme Court voted against Hobby Lobby which could have caused the owners of the company to pay over \$1.4 million a day. They had to contemplate bankruptcy or acting against their moral beliefs. As they were faced with a hard decision, they chose to remain in business and to provide the insurance; but what did this mean for what they believed in? Should they just sit back and hold their tongue on a very important topic to them and many more? Hobby Lobby is not the only ones who are upset with this mandate. Many Catholic hospitals and private schools are also having a hard time facing this mandate. Many have compromised their religious beliefs that abortion is not acceptable, but they are being forced by the government in order to comply with the mandate and to stay in business. How can Christian schools teach their religion that abortion is not acceptable, when they have to provide insurance that condones preventative care resulting in abortion? Many suggest that this is going against the 1st Amendment regarding freedom of religion. Every American has the freedom to believe in what they chose to believe regarding religion. Unfortunately, freedom of religion and compliance with government mandates are causing conflict for many Americans.
